Dear Prof. Sanket,

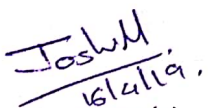

I am writing this reference at the request of Gaurav Ghati, who is applying for the Summer Internship at IIM Ahmedabad this summer.

I have known Gaurav form 1 year in my capacity as a Assistant Professor at Pune Institute of Computer Technology . Gaurav took knowledge in field of Engineering from me and earned superior grades in college. Based on Gaurav's grades, attendance, and class participation, I'd rate Gaurav's academic performance in my class as superior.

Gaurav has a number of strengths to offer as an intern at IIMA under your supervision. Gaurav is always interested in the field of Computer Science and Technologies.

In conclusion, I would highly recommend Gaurav Ghati. If his performance in my class is any indication of how he'd perform in your supervision, Gaurav will be a positive addition to your Team. If you should need any additional information, you can feel free to contact me by email at aajoshi@pict.edu anytime.

Sincerely,

A. A. Joshi
